11. Air Quality	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
12. Other	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Bond Amount: \$4,526,300 **Permit fee:** Up to date

Purpose of Inspection:

Routine annual inspection.

Directions to Site:

The site is approximately 5 miles north of Leamington, Utah on highway 132. One can see the plant from the road.

Inspection Summary:

1. The bond amount is adequate and the permit fees are up to date.
2. The highwalls appeared stable. No sign of failures were present.
3. The site is a total containment site. No sign that water had left the site.
9. The Permittee should make every effort to salvage topsoil if the expansion is approved.
12. The Permittee is in the process of expanding the pit towards the south. We visited the area and looked at the exploration work.

Conclusions and Recommendations:

The Division should continue to monitor the site.

Inspector's Signature

A handwritten signature in cursive script, appearing to read "Wayne White", written over a horizontal line.
